

OUR KEY ACTIVE PHARMA INGREDIENTS (API'S) ENHANCE YOUR SUCCESS

LACTATES

Lactic Acid

Applications:

- **Pharma & Healthcare:** pH regulator, gut health, wound healing, mineral absorption, disinfectants.
- **Personal Care:** Skincare, anti-aging, hair care, oral hygiene, deodorants.
- **Industrial:** Bioplastics (PLA), textiles, adhesives, coatings, eco-friendly cleaners.

Available Grades: IP/BP /USP/Food/Feed/ Industrial/Commercial

Packing: 25 Kg HDPE Bags /1 Ton Pallet

Calcium Lactate

Applications:

- **Pharma & Healthcare:** Bone health, osteoporosis, antacids, gut health.
- **Personal Care:** Skincare, anti-aging, oral care.
- **Industrial:** Tablet stabilizer, biodegradable plastics.
- **Animal Nutrition:** Cattle & poultry feed supplement.

Available Grades: IP/BP /USP/Food/Feed/ Industrial/Commercial

Packing: 25 Kg HDPE Bags /1 Ton Pallet

Sodium Lactate

Applications:

- **Pharma & Healthcare:** IV fluids, excipient, wound healing, dialysis solutions.

- **Industrial & Chemical:** pH buffer in detergents, textile dyeing, leather tanning, biodegradable cleaners.
- **Biotech & Fermentation:** Substrate for probiotics and bio-based plastics.

- **Animal Nutrition:** Cattle & poultry feed supplement.

Available Grades: IP/BP /USP/Food/Feed/ Industrial/Commercial

Packing: 50 Kg HDPE Bags /1 Ton Pallet

Potassium Lactate

Applications:

- **Pharmaceutical:** IV electrolyte replacement, pH regulator, antimicrobial, buffering agent.
- **Industrial:** Corrosion inhibitor, eco-friendly de-icer, humectant in cosmetics.

Available Grades: IP/BP /USP/Food/Feed/ Industrial/Commercial

Packing: 50 Kg HDPE Bags /1 Ton Pallet

GLUCONATES

Gluconic Acid

Applications:

- **Pharma & Healthcare:** Supplements, IV electrolyte balance, oral & wound care.
- **Industrial & Chemical:** Metal cleaner, corrosion inhibitor, concrete admixture, biodegradable cleaners.
- **Water Treatment:** Chelates metal ions, prevents scaling.

Available Grades: I IP/BP/USP/Food/Feed/ Industrial/Commercial

Packing: 35 kg Jars

Calcium Gluconate

Applications:

- **Pharmaceutical & Medical:** Calcium supplement, IV therapy for calcium deficiency, treatment for hydrofluoric acid burns, cardioprotective agent.
- **Industrial & Cosmetic:** Used in personal care products, water treatment, corrosion inhibition, and animal feed.

Available Grades: IP/BP /USP Food/Feed/ Industrial/Commercial

Packing: 225 Kg HDPE Bags /1 Ton Pallet

Sodium Gluconate

Applications:

- **Industrial:** Concrete admixture & retarder, metal cleaning, water treatment, corrosion inhibitor.
- **Pharmaceutical:** Electrolyte balancer, chelating agent in drug formulations, dental & skincare products.
- **Biotech & Fermentation:** Substrate for probiotics and bio-based plastics.

Available Grades: IP/ BP/USP/Food/Feed/ Industrial/Commercial

Packing: 50 Kg HDPE Bags /1 Ton Pallet

At Prathista, we believe in harnessing the power of nature and innovation to provide high-quality Fermented Chemistries catering to various industries. With over 30 years of expertise in the field, we stand as a reliable partner for businesses across pharmaceuticals, food & beverages, agriculture, cosmetics, and industrial sectors.

Our commitment to quality, sustainability, and cutting-edge technology ensures that every product we deliver meets global standards. Whether you're looking for agricultural input, natural preservatives, or Active Pharma Ingredients (API's), Prathista offers a complete solution designed to enhance your product quality, boost efficiency, and elevate your brand.

Potassium Gluconate

Applications:

- **Pharmaceutical:** Electrolyte supplement, kidney & cardiovascular support.
- **Industrial:** Corrosion inhibitor, water treatment, biodegradable agent.

Available Grades: IP/BP/USP/Food/Feed/Industrial/Commercial

Packing: 50 Kg HDPE Bags / 1 Ton Pallet

Zinc Gluconate

Applications:

- **Pharmaceutical:** Immune support, wound healing, cold & flu treatment.
- **Industrial:** Corrosion inhibitor, water treatment, cosmetic & personal care products.

Available Grades: IP/BP/USP/Food/Feed/Industrial/Commercial

Packing: 25 Kg HDPE Bags / 1 Ton Pallet

PROPIONATES

Propionic Acid

Applications:

- **Pharmaceutical:** Antifungal & antibacterial agent, preservative.
- **Industrial:** Animal feed preservative, corrosion inhibitor, chemical synthesis.

Available Grades: IP/BP/USP/Food/Feed/Industrial/Commercial

Packing: 25 Kg HDPE Bags / 1 Ton Pallet

Calcium Propionate

Applications:

- **Pharmaceutical:** Antifungal & antibacterial agent, pH stabilizer.
- **Industrial:** Feed preservative, rubber & plastic stabilizer, cement additive.

Available Grades: IP/BP/USP/Food/Feed/Industrial/Commercial

Packing: 25 Kg HDPE Bags / 1 Ton Pallet

Sodium Propionate

Applications:

- **Pharmaceutical:** Antifungal, preservative, pH regulator.
- **Industrial:** Feed preservative, corrosion inhibitor, rubber stabilizer.

Available Grades: IP/BP/USP/Food/Feed/Industrial/Commercial

Packing: 25 Kg HDPE Bags / 1 Ton Pallet

GDL

Applications:

- **Pharmaceutical:** pH regulator, wound healing.
- **Industrial:** Water treatment, concrete industry, cleaning agents.

Available Grades: IP/BP/USP/Food/Feed/Industrial/Commercial

Packing: 25 Kg HDPE Bags / 1 Ton Pallet

Ascorbic Acid (Vitamin C)

Applications:

- **Pharmaceutical:** Immune support, wound healing, antioxidant therapy.
- **Cosmetic:** Anti-aging, sunscreen protection, skin brightening.

Available Grades: IP/BP/USP/Food/Feed/Industrial/Commercial

Packing: 25 Kg HDPE Bags / 1 Ton Pallet

Citric Acid

Applications:

- **Pharmaceutical:** pH regulator, buffering agent.
- **Industrial:** Water treatment, cleaning agents, metal rust removal.

Available Grades: IP/BP/USP/Food/Feed/Industrial/Commercial

Packing: 25 Kg HDPE Bags / 1 Ton Pallet

Why Choose Prathista?

EXPERTISE:

Over 30 years of experience in delivering top-tier ingredients for various sectors.

INNOVATION:

Constant focus on sustainable solutions and cutting-edge formulations.

CUSTOMIZATION:

Products tailored to meet your specific requirements, ensuring efficiency and cost-effectiveness.

QUALITY ASSURANCE:

Adhering to global quality standards with certifications for all our offerings.
